

# Welcome Back!

Class of 2023

# Celebrate Efforts

The O-Level is a culmination of years of hard work and perseverance.

Let's celebrate our efforts regardless of the results.

Let's mark the end of the academic year by reflecting together on all our previous successes in school and the challenges we have overcome!

REALIZE THAT YOU  
ARE NOT ALONE,  
THAT WE ARE IN THIS  
TOGETHER AND MOST  
IMPORTANTLY THAT  
THERE IS HOPE.

Deepika Padukone

# Think Opportunities

- As you await your GCE O-Level results, there are some possibilities:

- You are happy that your results meet your expectations,
- You are overjoyed that your results exceed your expectations, or
- You are worried/upset because your results fall short of your expectations.

*Many pathways and opportunities!*

Remember that **everyone's learning journey is different** but **we can each have a fulfilling outcome!**

# No matter the circumstances, there is always a way forward.

## Stop

- Stop any unhelpful thoughts or actions that would make you more upset.
- Inhale deeply and exhale slowly using 10 counts as you relax your muscles. Acknowledge your emotions.

## Think

- Think through the different options that are available for you. Keep things in perspective.
- Remember that the O-Level is just one part of your life journey and not the destination.

## Do

- Approach a trusted adult and seek his/her help. Have a conversation with this person about what would be best for you.
- Make a decision based on your options and take action.

When you receive your results, you may feel overwhelmed by emotions.

Managing these emotions well will allow you to stay calm and make rational decisions.

# Reaching out for help is a sign of strength, not weakness.

If you have any concerns or are not coping, do reach out to someone you trust and speak with them. It could be a parent, teacher, School Counsellor or a friend that you can talk to.

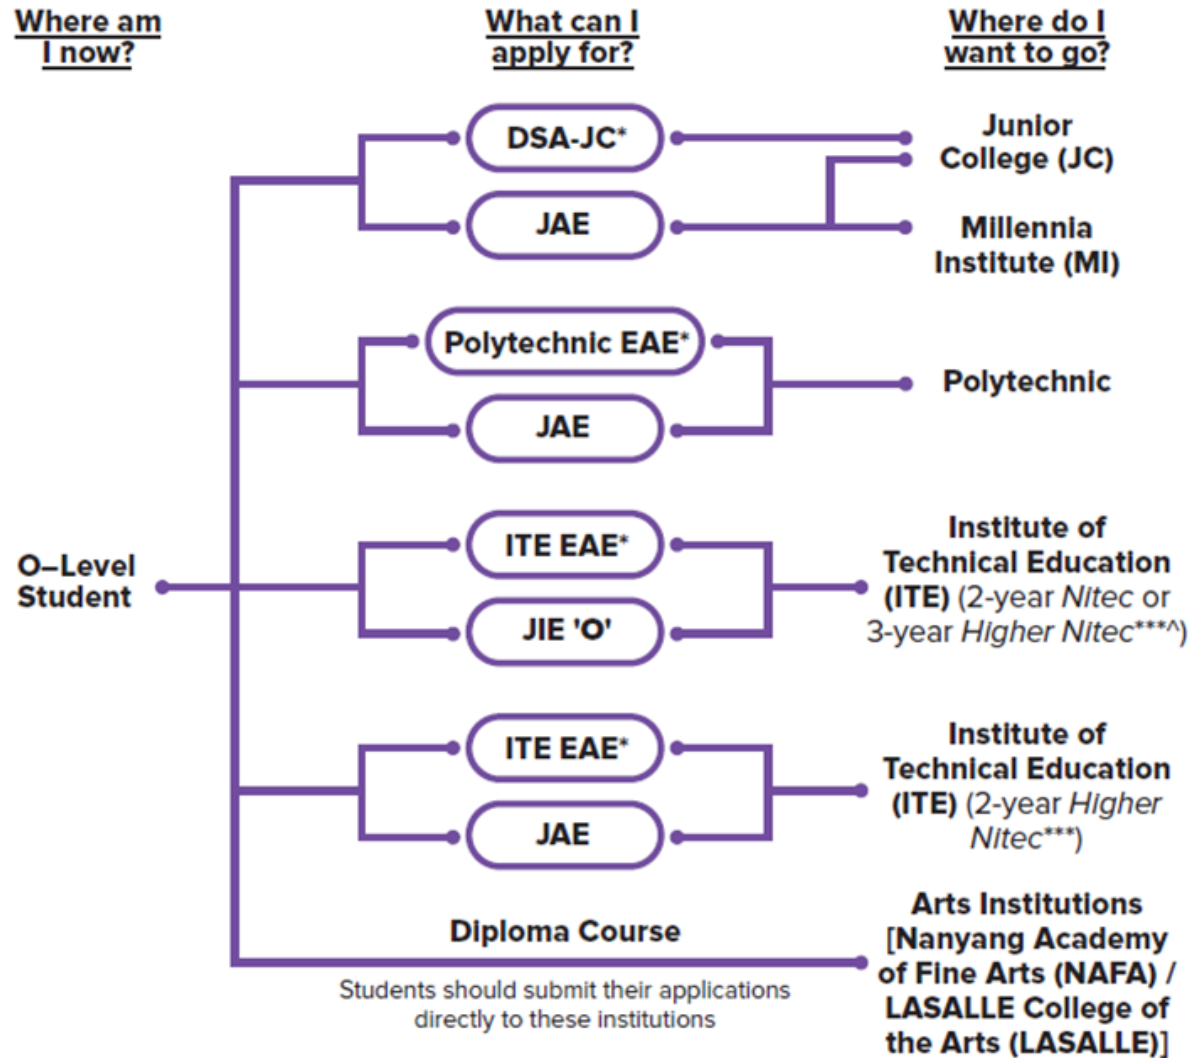

# Admission Exercises

## Things to note

# Other points to note (1)

## □ JC/ MI

- JCs and MI offer a variety of subjects and different subject combinations. They may also set their own school-based criteria for subjects offered, based on professional and student-centric considerations.
- **Posting to an Arts, Science or Commerce course does not guarantee that students will be able to offer their preferred subject combinations.**
- Students should check the website of the respective JCs and MI for more details on the subject combinations offered in the Arts, Science and Commerce courses and school-based criteria for subjects offered.

# Other points to note (2)

## □ Polytechnic/ ITE

- Beyond academic requirements, students should note that **some polytechnic/ ITE courses may require students to meet non-academic requirements, such as passing of medical examinations, in order to comply with industry requirements.**
- These requirements can also be found in the full listing of 2024 JAE courses document (under respective institution) and students are advised to take these requirements into account when making their choices.
