

Police Advisory For Parents/Guardians on Youth Hanging Out Late

Posted on 2 Aug 2024.

Dear Parents/Guardians,

Bedok Neighbourhood Police Centre would like to share a Crime Advisory for the month of August, focusing on the issue of youth hanging out late. Our aim is to ensure the safety and well-being of our youths. By being vigilant and proactive, we can collectively create a safer environment for our youth. Understanding the risks associated with late-night outings is crucial in preventing potential incidents and ensuring our children remain safe.

We strongly urge parents to take an active role in their children's safety. Setting clear curfews is a vital step in reducing the likelihood of youth being exposed to crime and accidents. It is equally important for parents to know who their children's friends are and to be always aware of their whereabouts. Open communication about your children's plans and activities is essential in fostering trust and ensuring their safety. By staying informed and engaged, parents can help mitigate the risks associated with late-night outings and contribute to a safer community for everyone.

The advisory is attached for your reference.

Best Regards,

Mr Lim Jing Kai
