

Postponement of Science Weighted Assessment 3

Posted on 5 Aug 2024

Dear Parents/Guardians,

We are writing to inform you about a change in the schedule for the Science Weighted Assessment 3. Due to a recent issue with the Mobile Guardian app, some students have been unable to access their learning materials on the OneNote app via their Personal Learning Devices (PLDs) over the weekend.

To ensure that all students have ample time to revise, we have decided to postpone the science weighted assessment to next Monday, 12 August 2024.

While we are working diligently to restore full functionality to the students' PLDs with the latest updates, students can still access their learning materials through <http://OneNote.com> on alternative devices such as mobile phones, home PCs, or laptops. They can do so by logging in with their school account (@damaisec.edu.sg).

If you have any questions or need further assistance, please do not hesitate to contact me at 6443 6848 or via my email at thong_ching_guan@schools.gov.sg.

Thank you for your understanding and support.

Best regards,

Mr. Justin Thong

HOD Science
