

SUBJECT COMBINATIONS 2025 AND STREAMING EXERCISE

Posted on 20 Aug 2024.

Dear Parent/Guardian

1. We are pleased to inform you of the subject combinations we will be offering our Secondary Three students in 2025. Please refer to **Annex A** for details.
2. Secondary Two students who meet the promotion criteria will be required to indicate their choice of subject combination for their secondary three year after the end-of-year examination. This will be done through an online portal – the *eStreaming* module. Instructions on how to access the module as well as the selection of choices of subject combinations will be issued to your child/ward on 17 October 2024.
3. The timeline for the streaming exercise is as follows:
 - 25 October – 1 November 2024

Students to submit choices of subject combinations via eStreaming

- 7 November 2024

School to release streaming results by 9am

- 8 November 2024

Students who wish to appeal for change of subject combination are to submit their appeals by 3pm on 8 November

- 15 November 2024

School to release 2025 Secondary Three class list

4. Your child/ward has been briefed on the overview and demands of the subjects offered at the upper secondary level. You may wish to discuss with him/her his/her preferred choice of subject combination taking into consideration his/her strengths, aptitude and interests. He/she could make preparation to ensure that the eligibility criteria, if any, are met. Your support and encouragement will be helpful for him/her in making an informed decision.
5. Students offering a subject at a more demanding level or are eligible to so, will be invited to meet with the personnel in-charge prior to the selection of subject combination.
6. Thank you for your partnership with the school.

Best regards

Ms Chan Wan Siong

Principal
