

Code for Fun Enrichment Programme

Posted on **11 Oct 2024**

Dear Parents/Guardians

We are pleased to inform you that the school is mounting the Code for Fun Enrichment Programme for all Secondary One students.

This 10-hour programme, offered jointly by Infocomm Media Development Authority (IMDA) and Ministry of Education (MOE) aims to provide opportunities for students to reinforce their appreciation of core computational thinking concepts, delve further into coding, and exercise their creativity through digital making.

The details of the programme are as follows:

Date: 22 and 23 October 2024

Time: 8am – 1.30pm

Venue: School

Your child/ward will need to bring his/her writing materials and fully charged Personal Learning Device (PLD). The cost of the programme is fully subsidised by IMDA and MOE. Attendance is compulsory.

Thank you for partnering the school in supporting the holistic development of your child/ward.

Best regards

Mrs Lee Pei Kee

HOD/ICT
