

Removal of School-Managed Apple ID

Posted on **16 Oct 2024**.

Dear Parent/Guardian,

We would like to inform you about the removal of your child's/ward's School-Managed Apple ID from the school's Apple School Manager (ASM) on 27 December 2024 as he/she is graduating from school.

Prior to 27 December 2024, please ensure that your child/ward backs up his/her school iCloud Drive data onto a personal external storage and/or personal cloud storage as he/she will no longer be able to save and/or access any document and/or application on the school iCloud Drive when the School-Managed Apple ID is removed.

Your child/ward may refer to the attached guides for instructions on how to back up existing data to either a personal external storage or a personal cloud storage.

Should your child/ward require technical assistance to perform the backup,

he/she can approach Mr Hidayat at the ICT room or email muhammad_nur_hidayat_mohamed_a@schools.gov.sg.

Thank you.

Best regards

Mrs Lee Pei Kee

HOD ICT
