

Dear Parents / Guardians,

We are writing to inform you that your child/ward will be participating in an Applied Learning Module at Polytechnic (ApLM@Poly) to broaden and enhance their learning experiences to help them discover their strengths and interests. Through the programme, students will get the opportunity to see the relevance of what they learn and apply it to authentic contexts. Students will be learning under the guidance of Polytechnic lecturers.

The details of the programme are as follows:

Date: 4 to 6 April 2022

Time: 8.00 am to 4.30 pm

Venue: Nanyang Polytechnic

Attire: Damai Secondary School PE T-shirt and school skirt/pants

Things to bring:

- Student pass
- Writing materials
- Stationery
- Trace Together Token/App
- Jacket
- Allowance for lunch
- Water-bottle

The participation cost for each student is \$250, and MOE subsidises \$225. Hence, the amount payable by student is \$25. For Singapore Citizens, this amount will be deducted from their Edusave Account. For non-Singapore Citizens, and those with insufficient fund, cash or cheque payment must be made at the school General Office prior to the programme.

Students are expected to attend all sessions of the Applied Learning Module and if they are unwell, documentary proof must be provided to their Form Teachers. Two-way transportation is provided. Students will report to school for morning assembly and attend the session under the supervision of our teachers. They will be dismissed upon arrival in school.

For clarifications, please contact me (ng_wei_yin_carrissa@schools.gov.sg) at Tel: 6443 6848.

Thank you for partnering the school in supporting the holistic development of your child/ward.

Yours faithfully

Ms Lorraine Ng
