

Dear Parents/Guardians

Since the start of this academic year, some of the students in the graduating classes as well as their teachers were away from school as a result of the COVID-19 pandemic. While adjustments were made to the instructional programme to ensure that students continue to learn, students need more time to consolidate their learning, master the content and practice the application of skills learnt. Hence, to free up curriculum time for more effective learning, the mid-year examination for S4/5 (scheduled from 21 April – 6 May) will be cancelled.

Without the mid-year examination, lessons will continue as per normal. Teachers will focus on helping the students gain mastery of the subjects and build their confidence in applying their knowledge and skills. With a refined pacing of the lessons, students will have more opportunities to seek clarifications while exploring the subject matter with depth and breadth. This will enable them to be better prepared for the national examinations.

Students taking the GCE O-level Mid-year Chinese Language or Malay Language will sit a preliminary examination on 6 May 2022. Details will be released nearer the date.

Students taking HCL, TL or other Foreign Languages at language centres will adhere to the assessment schedules of the respective centres. If you need clarifications on this matter, please speak with or email HOD/MTL, Mr Kong Hou Kit at [Kong\\_hou\\_kit@schools.gov.sg](mailto:Kong_hou_kit@schools.gov.sg)

Thank you for your partnership.

Best regards  
Ms Chan Wan Siong  
Principal
