

Welcome all parents,

Thank you for supporting your child's choice of joining the Canoeing CCA in Damai Secondary School. This is our niche CCA and we have the support from our school leaders to provide a unique training experience for our canoeing girls, molding them into healthy , disciplined and resilient students.

For our CCA, training dates are Monday and Thursday, 3 pm to 6 pm at Bedok Reservoir. Attendance is compulsory. However, we do allow a maximum of 2 parent letters per student per semester (term 1 and 2) in case students have urgent matters to attend to.

All students will be provided personal flotation device when they train in the water and a certified boatman will be on duty in the water throughout the training to provide assistance if any student needs help. Safety is key in our CCA. We will send our secondary 1 new canoeing girls for 1 star kayaking course soon when the opportunity arises so that they are more competent training in the water.

The Damai Canoeing Team is known for its strong bonds and camaraderie. The members train hard and have fun. Their common goal - to complete the race without regrets or letting our teammates down.

With their fighting spirit, they are dauntless. Each milestone achieved by the team lays the PATH for the next.

"Perseverance, Aspiration, Teamwork and Hardwork.

Dream the Impossible. Seek the Unknown. Achieve Greatness."

If you have any enquiries regarding our CCA, please contact me at 97883136 or email me at [huo\\_xiaoli@schools.gov.sg](mailto:huo_xiaoli@schools.gov.sg)

Thank you again for your support to your child's choice of CCA and training.
