

Dear Parents,

Term 1 has come to an end. Thank you for your support to encourage your child to attend CCA regularly and commit to it and make some friends during training.

For the secondary 4 and 5 girls, they have graduated from the CCA. They will focus on their academic studies from Term 2 onwards. We thank them for their active participation during CCA and their good role modeling for the juniors. We wish them all the best in achieving the best results they strive for.

For the secondary 1 to 3 girls, we are going to train hard for the upcoming National Schools Games Canoeing Championships which is scheduled from 4th April to 7th April, at MacRitchie Reservoir. We seek your strong support in encouraging your child to train hard during CCA sessions. This will be first time our girls take part in an inter-school competition in three years. We look forward to seeing their enthusiastic participation in the upcoming training sessions.

Attached photos are some of the highlights during term 1.

Thank you.

Regards,

Teacher IC, Ms Shirley Huo (97883136)
