

Dear Parents of Damai Handball Team Students,

With the conclusion of Term 1, the Secondary 4 & 5 students have officially stepped down and will now focus on their studies. This marks the end of their journey in the CCA as they embark on the next phase of the academic year.

Mr Zhu Liang and myself thank the graduating students for their efforts, commitment and support towards Handball over the last 4 to 5 years. We wish them all the best for their National Examinations at the end of 2022.

In an update to the coaching situation in school, Coach Ko is back in Singapore and has started training the students. Students will have the opportunity to be coached by one of the top coaches in Singapore. They can look forward and learn from Coach Ko at every CCA session. I strongly encourage the students to attend these sessions dutifully.

Gentle Reminder:

CCA will take place after school on every Monday and Thursday 3 – 6pm.

Reporting Venue: Indoor Sports Hall

Attire: School PE Attire

Things to bring: Water bottle and sports shoes.

We hope that you will continue to support your child in this area of development by ensuring he attends these sessions faithfully. Should your child be unable to attend the CCA sessions, we seek your kind cooperation to inform the teachers ahead of time.

There is a limit of 2 parent's letters that will be accepted for your child's/ward's absence from these sessions as these sessions are crucial to your child attaining the required CCA points and to master the skills required to play the sport.

Should you have further queries, please call Mr Leroy Lee or Mr Zhu Liang, at 6443 6848 or contact us via email that is available on the school website.

Thank you for your support in the CCA in Term 1.
