Webinar 1: Responsible Youth

Focuses on the six key ingredients for youths maturing into pro-social young adults who manage school and peer pressures in a healthy manner and are valued members of their peer groups and family.

Webinar 2: Competent Youth

Focuses on techniques to help your youth to develop self-discipline and accountability while handling peer relationships, the launchpad for flourishing into competent young adults.

Webinar 3: Connected Youth

Focuses on involving your youths in peer decision making and developing a trusting platform for your youths to share their challenges and goals, preparing them to become successfully connected in the wider community.
