

Dear parent/guardian,

We are writing to inform that your child/ward will be participating in a Geography Learning Journey to Singapore Mobility Gallery.

The Gallery provides a behind-the-scenes look at how LTA plans, designs and builds our land transport system while balancing efficiency, liveability and inclusivity as it leverages technology for smarter urban mobility. During the visit, through interactive activities and multi-sensory exhibits, students will learn more about how transport is planned in Singapore, how it has evolved, the considerations given to the Singapore's network, and how it might change in the future as we learn to live with climate change. This will extend and deepen the students' learning in the Lower Secondary Geography syllabus on transport and cities.

Absence from this activity will be excused if students are unwell, covered with a Medical Certificate or government-issued endemic management measure.

Details of the Learning Journey are:

Date: Tuesday, 15 August 2023

Time: 3 pm – 5 pm

Venue: Singapore Mobility Gallery

Students will report to the Harmony Room at 3pm. They are to be dressed in their PE attire for this activity. Students will bring a small bag with the following items for the learning journey:

- iPad
- Personal belongings
- A bottle of water
- Jacket (optional)

Transportation will be provided to and from the venue. Students will be dismissed upon their return to school.

For enquiries, do contact me at chua_yan_yi_alvina@schools.gov.sg or call the General Office at Tel: 64436848.

We look forward to and appreciate your continued support as partners in education to nurture and develop your child/ward.

Yours faithfully
Ms Alvina Chua
