

Dear parents,

Health Promotion Board (HPB) will be conducting the annual school health visit at Damai Secondary School on 6-July-2023 to 13-July-2023 and HPV vaccination on 11-Sept-2023 .

During this visit, age-appropriate health screening and/or immunisation will be provided for your child.

Secondary 1

- HPV* immunisation (*only for female students*)
- Spinal screening#

Secondary 2

- HPV* immunisation (*only for female students*)
- Spinal Screening#
- Hearing Screening
- Height, Weight and BMI measurements

Please access website [HPB Health Screening for Secondary Students](#) for more information on screening and immunisations offered to secondary school students.

Please access the website [Fact sheet on school-based HPV vaccination](#) for more information on HPV vaccinations offered to secondary school students or see attachment.

Please access the Child Consent Portal to update your child's medical information and provide consent for immunisation if required.

No further action is needed if this has been previously submitted and there are no updates.

After the school visit, you may access your child's *School Health Assessment Summary* via SingPass login at <https://www.healthhub.sg/HealtheServices>.

If you do not wish for your child to undergo HPB's annual health screening in school, please write to Contact YPS@hpb.gov.sg.

Thank you.

#Students will be briefed before the check-up for scoliosis is done for each student in an enclosed area for privacy. During the check-up, the student will be asked to show his/her back to the female doctor or nurse before being asked to remove his/her top and/or brassiere. Your child's back will be examined from behind while standing upright and while bending forward so that the doctor or nurse can screen for abnormal curvature of the backbone. If further assessment is required, your child will be referred to the Student Health Centre.
