Dear Parent / Guardian,

Integration Programme Learning Journey to Heritage Sites

With our school's efforts in helping international students and permanent residents (ISPR) to integrate better into our education system and the wider Singapore community, the school has planned for a learning journey to one of the heritage sites as a post-examination activity.

The participants of this learning journey will include both local and ISPR students to encourage meaningful interactions between them, and to build greater understanding, awareness of and appreciation for diversity in our society. The learning journey will also enable students to learn more about the history of the heritage site and gain cultural knowledge about the race and ethnicities in Singapore.

Your child/ward will be visiting a heritage site under the guidance of a local guide and the supervision of teachers.

The programme is held on Wednesday, 18 October 2023 as follows:

| Level | Reporting Time & Venue | Learning Journey Duration | Heritage Site |
|--------------|-----------------------------------|----------------------------------|----------------------|
| Secondary 1 | 2.05 pm School Canteen | 2.45 pm to 4.15 pm | Singapore River |
| Secondary 2 | | | Fort Canning |
| Secondary 3 | | | Kampong Glam |

A snack box and two-way transport will be provided. Students will be dismissed upon arrival in school.

Students are advised to leave their school bags in school and bring along a lightweight bag with stationery, water-bottle for hydration and poncho/umbrella as they will be walking along the streets of Singapore.

For enquiries, please contact me at Tel: 6443 6848 or email: ng_wei_yin_carrissa@schools.gov.sg.

Thank you for supporting the holistic development of your child/ward.

Yours faithfully

Ms Lorraine Ng
