Dear Parent/Guardian

### **SECONDARY 4/5 MID-YEAR EXAMINATIONS**

We are pleased to inform you of the schedule for our Mid-Year Examinations which will be a standalone assessment comprising the oral examinations and written papers. The following documents are attached for your reference:

- Schedule for the school oral examinations which will be conducted after school hours; and
- Mid-Year Examination time-table.

During the examination period for the written papers, your child/ward is required to report to school as per normal and will be dismissed at the end of the last paper for the day. If your child/ward is only taking the second paper for the day, he/she should report at least 30 minutes before the start of that paper. If your child/ward is not sitting for any paper on a particular day, he/she need not report to school on that day.

Please note that if your child/ward is unwell, he/she will need to consult a doctor to obtain a medical certificate to validate his/her absence. A student who is absent without valid reasons will be awarded zero mark for the paper missed. However, in the event that your child/ward is a confirmed COVID-19 case, he/she will be excused from the examination.

We hope your child/ward is making good progress to be well-prepared for the upcoming assessments as well as the national examinations. Do encourage him/her to seek help from the respective subject teachers whenever necessary.

Thank you for your partnership.

Yours faithfully

Ms Chan Wan Siong  
Principal
