

Dear Parents/Guardians,

Your daughter/ward would have received last year their first dose of the Human Papillomavirus Vaccine under the National School-Based Human Papillomavirus Vaccination Programme.

The Health Promotion Board's appointed vendor will be visiting the school to administer the second/third dose of the vaccine on 28 June 2022.

You may refer to the link attached for more FAQ on the programme. No follow up is required from you.

If your child/ward misses the vaccination in school, an appointment will be given to receive the fully subsidised vaccination at HPB's appointed service provider's clinic.

Please ensure your daughter/ward wears the PE T-shirt and have their breakfast before school next Tuesday 28 June 2022 .

Thank you.

Regards
Mrs Jackie Chan
Year Head Lower Secondary
