

Dear Parents/Guardians

As health screening for primary school students was suspended in 2020 due to the COVID-19 situation, your child/ward, who is currently in Sec 1, may not have received his/her colour vision screening test when he/she was in Pri 5.

Please refer to the attached letter (from the Health Promotion Board) on how you can make an appointment for a fully-subsidised colour vision screening for your child/ward at the Student Health Centre. The contact details for appointments and enquiries are as follows:

Student Health Centre

Tel: 6435 3895

Opening hours: Mondays - Fridays, 8 am - 5pm.

Please email HPB_SHC@hpb.gov.sg if you have any queries.

Thank you

Best regards

Ms Chan Wan Siong

Principal
