

Dear parents / guardians,

The Secondary 1 CCA Briefing was conducted on 7 January 2022 during the Meet-the-Parents session. The briefing slides can be found on our school website at the link appended below.

Our Secondary 1 students took part in the CCA Trials on 10 and 13 January 2022. During these two days, they had the opportunity to find out more about and try out the various CCA offered in our school. Students will select their CCA from today.

Parents are strongly encouraged to discuss CCA choices with your child. Students should choose a CCA based on interest and talent. Students shortlisted during the CCA trials will have a higher chance of being allocated that CCA. The list of shortlisted students has been placed on the notice board in the canteen and students have been advised to check.

Students can submit their CCA choices online via the MOE “All Ears” portal from 14 January (Friday) 6pm to 18 January (Tuesday) 11.59pm using the link appended below. The login details should be entered in the following format:

Example :

NRIC : T1234567Z (not case sensitive)

Class : S1-01 (not case sensitive)

Register number : 5

CCA allocation will be based on students’ choice and interest, their talent area as demonstrated during the CCA trials, as well as vacancies available in each CCA. Students will be informed of their allocated CCA and have their first CCA session on 27 January 2022 (Thursday).

Thank you and please feel free to contact me for any enquiries.

Best regards,
Mr Ng Zhi Xian
HOD PE & CCA
