

POLICE ADVISORY FOR PARENTS/GUARDIANS

Dear Parents/Guardians,

In this edition of our Police Advisory, we would like to highlight the re-emergence of phishing scam cases involving the use of spoofed emails from Netflix.

2. In this variant, the victims would receive emails purportedly from a trusted source such as Netflix. The scammers would deceive the recipients into clicking on the URL link provided for renewal of their membership.
3. Upon clicking on the URL links, victims would be directed to phishing websites where they are requested to furnish their banking credentials and OTPs.
4. Victims would only realise that they have been scammed when they discover unauthorised transactions made using their credit or debit card.
5. Some examples of spoofed emails:
