

We are pleased to inform you that the school is mounting a Student Leadership Workshop for all Secondary Two students. Conducted by Halogen Foundation, this workshop seeks to equip students with the knowledge of The Five Practices of Exemplary Leadership developed by Jim Kouzes and Barry Posner, which positions leadership as a set of teachable behaviours. Students will also get to learn about how they could further hone their leadership skills through their individual spheres of personal influence.

Details of the workshop are as follows:

- Date/Day: 19 April 2022, Tuesday
- Time: 1500 – 1700 hours
- Venue: Respective Form Classrooms

The cost of the workshop at \$13.00 per pax is fully subsidised by the school. Attendance is compulsory. Please inform the Form Teacher(s) if your child/ward is unable to attend the workshop due to valid reasons.

Each participant will receive a booklet on the contents of the workshop. Following the workshop, the Form Teacher(s) will go through the materials in it to deepen the learning and help the students apply the skills learnt.

We believe that through this workshop, your child/ward will be able to gain a better understanding of what student leadership entails, and how it could be enacted through his/her daily life and interactions with others.

Thank you for being our partners in education.
