Dear Parent / Guardian,

### **Experience ITE Programme (EIP)**

The Experience ITE Programme (EIP) is designed for Secondary 2 students to experience ITE's Hands-on, Minds-on, Hearts-on™ education and be immersed in the authentic learning environments.

Through the EIP, students are given the opportunity to try out a range of meaningful and practical projects to help instil interest in skills and gain more insights to shape future careers in skills-related professions.

This programme is compulsory. Your child/ward will be visiting ITE College East to understand the educational opportunities and pathways that are catered for them on 1 March 2022, Tuesday, from 9.00 am to 4.30 pm with SMM in place.

Students will report to school for flag-raising and two-way transport is provided. In addition, due to SMM in the ITE campus, lunch is catered for the students. Students will be accompanied by teachers and be dismissed upon their return to school.

Secondary school students entering the ITE campus will be treated as visitors and are thus subjected to VDS (Vaccination-Differentiated SMM). All visitors entering ITE campuses will need to be:

- a. fully vaccinated (completed two primary doses and completed 14-day interval);
- b. medically ineligible for vaccination; or
- c. have recovered from COVID-19 in the last 180 days.

For clarifications, please contact me ([ng\\_wei\\_yin\\_carrissa@schools.gov.sg](mailto:ng_wei_yin_carrissa@schools.gov.sg)) at Tel: 6443 6848.

Thank you for partnering the school in supporting the holistic development of your child/ward.

Yours faithfully

Ms Lorraine Ng  
HOD/CCE
