Dear Parent/Guardian

### Secondary 2 Values In Action – Bedok Reservoir Clean-up

As part of the school's Learning for Life Programme (LLP) in developing character and leadership through water sports, the Secondary 2 students, who are Swim Safer certified, will learn to conserve our very precious water reserve through a clean-up session on kayaks at Bedok Reservoir.

Trained instructors from the PassionWave will be conducting and paddling with the students during the clean-up. Students should wear PE attire and covered shoes for the activity. They will be given a list of items to bring for the activity. Students and accompanying teacher will walk from school to Bedok Reservoir. They will be dismissed upon their return to school.
