

Dear Parent/Guardian,

We are pleased to inform you that your child will be participating in the MOE-OBS Challenge Programme in 2022. The programme comprises a series of school-based PE and CCE lessons as well as a 2-day residential course conducted from 21 November 2022 (Monday) to 22 November 2022 (Tuesday) at Outward Bound Singapore (OBS) in different parts of Singapore.

We have arranged for a briefing for parents on 12 August 2022 (Friday) at 7pm time via Zoom. We hope you will be able to attend to find out more about the programme. More details will be given at a later date.

The online e-registration will be from 22 August 2022 to 28 August 2022. The online registration form includes a health declaration that you will need to complete on behalf of your child.

A valid tetanus vaccination is **COMPULSORY** for participation in this programme. Tetanus vaccination is valid for 10 years from the date of vaccination. Please verify your child's tetanus vaccination records through <https://www.nir.hpb.gov.sg> or the HealthHub app.

For students who do not have a valid tetanus vaccination, please visit a clinic to obtain the tetanus vaccination **BEFORE** the commencement of e-registration.

Thank you and we look forward to your child's participation.
