Dear Parent/Guardian

Secondary 3 VIA Preparatory Workshop

Secondary 3 students are embarking on a Values In Action (VIA) programme with HDB's Friends of Our Heartlands Programme. Through a preparatory workshop, HDB's Friends of Our Heartlands Programme hopes to nurture youths to harness their knowledge and skills to promote spirit of neighbourliness and eco-friendly living within the community.

Students will attend an online workshop on 28 January 2022, Friday from 2.30 pm to 4.45 pm in school to learn about what contributes to a harmonious and responsible heartland community, and get practical tips on engaging residents. With greater awareness, the students will be planning an eco-craft project to engage and educate the elderly on upcycling crafts which will be conducted online.

As this programme could be featured in the Straits Times IN article for secondary school students, the journalist would be sitting in the session and taking a photograph of the classes and trainers through Zoom.

Thank you for supporting the holistic development of your child/ward.

Yours faithfully
