Dear Parent / Guardian,

Secondary 4 & 5 Polytechnic Talks and Workshops

To imbue greater awareness and prepare students for their tertiary education, the school has arranged for a few online talks and workshops to help students prepare for post-secondary options.

Nanyang Polytechnic (NYP) will be conducting an online talk to share on Polytechnic Early Admissions Exercise (Poly EAE) for Sec 4E5N and Polytechnic Foundation Programme (PFP) for Sec 4NA. NYP lecturers will also advise students on two courses of their choice.

In addition, Temasek Polytechnic (TP), in collaboration with The Astronauts Collective, has organised Day X@TP where students can interact with industry professionals through the career exploration workshops. Students will have the opportunity to discover more about their strengths and interests and how they can leverage them to pick the right career and educational pathways.

Details of the activities are as follows:

Day	Programme	Time	Venue
