Term 1 Info Communications Club CCA Notification

Dear Parents of Damai Info Communications Club Students

The teachers-in-charge of Info Communications Club are Ms Dewi and myself, Mr Lau Hui Cheng.

As part of the school's mission to support the holistic development of students, we hope to provide students with a platform to discover their interests and talents. The Damai Info-Communications Club aim to excite students about info-communication (ICT) in a fun and meaningful way by helping them to learn new info comm skills and to cultivate leadership and entrepreneurship capabilities at an early age. The Damai Info-Communications Club participates in various competitions to showcase its members' photography skills and creativity, as well as enhance their confidence in harnessing technology and photography.

It was highlighted in the 2022 School Calendar that CCA for Secondary 2 to 5 students have started on 10 Jan 2022. This year, we are also welcoming 6 Secondary 1 students to Info Communications Club. They had started their CCA on 27 Jan (Thursday). We are heartened to see your child warming up and participating well during the session.
