

We are pleased to inform you that the band members had a fruitful time during practices. We were also heartened to see the seniors stepping out to help the Sec 1 students, especially when they provided tips on how to play the instruments better.

We ended the term with a presentation of farewell cards to the Sec 4 students, lovingly written by their juniors. The graduating students will be dearly missed by all in the band. We wish them all the best in their future endeavors.

One Band!
One Heart!
One Sound!

Yours Sincerely,
Mdm Wong Chuay Leng
