

Dear Parent/Guardian,

We are pleased to inform you that Morning Star Community Services has organised three Malay language webinars in the month of March on Saturdays, from 11.30am to 12.30pm under the theme “Effective Parenting Approach to Raising Your Teen”. The webinars are fully subsidised by the Ministry of Social and Family Development. You are strongly encouraged to register for the webinars which aim to equip you with strategies to teach teenagers important values and help them strengthen relationship with the community.

For more information about the webinars and registration, please click on the link or see the file attached below.
