

Dear Parents/Guardians

I hope your child/ward has settled in well and is making good progress since term started on 4 January 2022.

I would like to inform you that your child/ward's Form Teacher would be reaching out to you via a phone call (or zoom meeting, if you so prefer) to provide you an update on his/her progress thus far.

The Form Teachers will share details on your child/ward's character, behaviour and conduct, learning attitude, motivation towards studies as well as relationships with his/her classmates.

You may wish to take the opportunity to share with the Form Teachers information about your child/ward to enable them to have a better understanding. This will allow them to adopt appropriate approaches to engage and guide your child/ward.

I look forward to your partnership with the Form Teachers which is crucial in your child/ward's learning and development in the school.

Thank you for your partnership.

Best regards
Ms Chan Wan Siong
Principal
